During the financial year ended 31 March 2024, this authority's internal auditor acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation and obtained appropriate evidence from the authority.

The internal audit for 2023/24 has been carried out in accordance with this authority's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Internal Auditor note on test N:

I checked to see that the authority complied with the publication requirements for the AGAR 2023/24. As a smaller Council, this meant the following needed to be published before 30/06/23:

- Certificate of Exemption, page 3 AGAR
- Annual Internal Audit Report 2022/23, page 4 AGAR
- Section 1 – Annual Governance Statement 2022/23, page 5 AGAR
- Section 2 – Accounting Statements 2022/23, page 6 AGAR
- Analysis of variances
- Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

I found that all of the required documents were on the website at 20/05/24, but that screenshots evidencing the date of publication before the start of the public rights period were only taken for the public rights notice. It is unlikely that the public rights notice was published in isolation, but as it is not possible to confirm that all of the required documents were published, I have assessed this test as 'not covered'.
