

Parish Meeting Wednesday 13th May 2026

Bladen Social Club

The Bladen Social Club was built and run by the residents of the parish in the 1960s. Its position next to the village hall was dictated by the Parish Council at the time, so that the club could support the village hall as well as providing a space where residents, their families and friends could meet after work and at weekends to relax and socialise.

The new committee are keen to return to that ethos.

The social club still remains the largest hirer of the village hall using it for league skittles, short mat bowls etc but the committee are anxious to meet a need in the community now especially for young families. A local venue where they can have an evening out, parents can relax safe in the knowledge that their children are amongst people they know and are entertained with the various board games on offer.

Special events at Halloween, Christmas and Easter were much enjoyed by both adults and children.
