

PROPOSED TEMPORARY CLOSURE OF C34, TOLPUDDLE AND BURLESTON

I have received an application from Openreach to close C34, Tolpuddle and Burleston from junction with Central Farm Lane, Tolpuddle to junction with Burleston Drive, Burleston (in both directions), a distance of approximately 1648 metres. The closure has been requested to allow Openreach to replace a utility cover and frame. These works are programmed to commence from 14th September 2026 until 15th September 2026.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 12th September 2026.

View all roadworks in your area - dorsetcouncil.gov.uk/roadworks-events or read the council's [guide to roadworks](#) for general information and advice.
