PROPOSED TEMPORARY CLOSURE OF C79, BRIANTSPUDDLE

I have received an application from Openreach to close C79, Briantspuddle from junction with Throop Hollow to outside Glebe Cottage, Throop (in both directions), a distance of approximately 65 metres to all vehicles including pedestrians, cyclists and equestrians. The closure has been requested to provide Openreach with a safe working area to replace a telegraph pole. These works are programmed to commence from 17th September 2026 until 18th September 2026.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works and they will carry out a letter drop to local residents directly affected by the works. The following map shows the extent of the road closure.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 12th August 2026.

View all roadworks in your area - dorsetcouncil.gov.uk/roadworks-events or read the council's [guide to roadworks](#) for general information and advice.
